One of East Central Indiana’s most distinctive and Festive Holiday Craft Shows will celebrate its 22nd annual holiday show this November 19th and 20th. Our Marketplace concept was introduced last year creating a multi-class show blending Christmas past, present & future through a presentation of fine arts, crafts, collectibles, antiques, home and personal items, gifts and gift foods. The show was very well received and we hope you continue to make this a tradition!

Come out and join this exciting and outstanding grouping of artist,crafters and other select vendors for an extraordinary holiday shopping experience. Exhibitors will be coming from Indiana, Ohio, Michigan, Illinois and Pennsylvania.

You will see Folk art, Contemporary, Country, Primitive and Americana Arts and Crafts as well as taste tempting goodies, home & holiday decor, local merchants, home & personal consultants and much more. Visit the Claus Cafe at the Holiday Handcrafters’ Showcase and enjoy a delicious dessert, lunch or dinner. Relax in the holiday atmosphere. Our building is temperature controlled for your dining and shopping pleasure. Rain, snow or shine, the show goes on! Show hours are Friday the 19th from 2pm to 8:00pm and Saturday, November 20th from 10am to 4pm. Admission is \$4.00 with unlimited re-entry with our hand stamp.
