

October 21 - 24, 2010
Home & Marketplace Show
Miami Valley Centre Mall
987 East Ash Street
Piqua, Ohio 45356

The Mall will be brimming with our Marketplace exhibitors, as well as exhibits with the Home Builders Association of Miami County! We have been asked to collaborate with the Home Builders to add a dimension of arts, crafts, gift and collectibles to their very popular Home & Garden Show.

Holiday shoppers, collectors, and admirers will be able to choose from the plentiful selections of hard to find gifts at this holiday marketplace. Decorated for the season, our added touches will help get any shopper in the mood! We invite you to put on your walking shoes and come visit this all indoor mall of exhibits of fine arts, crafts, gift, gift foods, collectibles and home and personal items.

The Home Builders Association of Miami County will also be on hand showcasing their home related products and services. A perfect time to start that Spring “to-do list”!

Show hours are Thursday - Saturday 10am - 9pm and Sunday from Noon to 6pm. Admission and parking are free, so mark your calendar and load up the car, come spend some time in Piqua! Located right off I-75!
